The Carbine Club Annual General Meeting took place in the Garden Room at Crown Towers; some fifty eight accepting to attend. The President Ian Johnson welcomed all those in attendance and it was noted that so many of our members were in Europe for The Royal Ascot and Wimbledon. The meeting went very smoothly under Ian Johnson's guidance despite the local media hype. The position of Committee and Office Bearers remain the same; the President adjourning the election of a new committee to a later date to be determined – a decision supported by the majority of members in attendance. The meeting endorsed two new members **David Evans** President of Essendon FC and son of the late Ron Evans also **Martin Tobin** who has been associated with sport in Victoria for many years.

Two of our long standing members were honoured with Life Membership for their valued contribution to The Carbine Club and the fellowship of all Carbine Clubs. They were **Leon Wiegard, OAM** and **Dr Allen Aylett, OBE** – the appointment of both was received with great ovation from their fellow members.

Max Walker presented the Club with a fine Glass Photograph of Carbine and Walter Hickenbotham taken in the 1890's.

This will be suitably displayed in one of the show cases in The Carbine Bar at the RACV Club.
